All students, with the exception of those attending NTCC, must select one core course in each of the following: English, Social Studies, Science, and Math. All students are required to request a minimum of 3 elective credits and 2 alternate courses in case any of the electives are not available. Students then need to note the total number of credits they would like to have scheduled next year at the bottom of this page (minimum of 7 credits). All courses and their respective numbers are found on the back of this form.
