

NOTICE OF ASBESTOS MANAGEMENT PLAN

The asbestos management plan of the Athens Area School District is on file and available for inspection at the Maintenance Building located at 275 Wildcat Way in Athens, PA 18810

It is available during normal business hours without cost or restrictions for review by parents, faculty and staff. The district has also completed the required Periodic Surveillance and the Three Year Re-Inspections of all buildings in the district in total compliance with federal and state mandates.
