The district shall not be liable for the loss, damage or misuse of any electronic device.

### **Electronic Images and Photographs**

The Board prohibits the taking, storing, disseminating, transferring, viewing, or sharing of obscene, pornographic, lewd, or otherwise illegal images or photographs, whether by electronic data transfer or other means, including but not limited to texting and e-mailing.

Because such violations may constitute a crime under state and/or federal law, the district may report such conduct to state and/or federal law enforcement agencies.

Such prohibited activity shall also apply to student conduct that occurs off school property if:

1. There is a nexus between the proximity or timing of the conduct in relation to the student's attendance at school or school-sponsored activities.

2. The student is a member of an extracurricular activity and has been notified that particular off-campus conduct could result in exclusion from such activities.[3][4]
3. The conduct has a direct nexus to attendance at school or a school-sponsored activity, such as an agreement made on school property to complete a transaction outside of school that would violate the Code of Student Conduct.[5]

### **Delegation of Responsibility**

The Superintendent or designee shall annually notify students, parents/guardians and employees about the Board's electronic device policy.

The Superintendent or designee shall develop administrative regulations to implement this policy.

### **Guidelines**

Violations of this policy by a student shall result in disciplinary action and shall result in confiscation of the electronic device.[5][6]

The confiscated item shall not be returned until a conference has been held with a parent/guardian.
