

**Student Directory Information
Exclusion from Disclosure Form**

**Athens Area High School
Athens, Pennsylvania**

State and Federal laws require school districts to provide access to student directory information (names, addresses and telephone listings) when requested by military recruiters and institutions of higher education.

We are required also to give notice to students that the district will disclose this information if requested. Students who choose to be excluded from this requirement have 21 calendar days to respond *in writing* requesting the exclusion from disclosure.

This notice is published in the handbook that each student receives at the start of the new school year.

Exclusion from Disclosure

I have received notification that the Athens Area School District will disclose directory information if requested by military recruiters and institutions of higher education. I wish for my student to be excluded from this disclosure.

Name of Student _____
